Furs and Fur Garments. When you are ready to have the Furs, or the Fur-lined Garments, put away for the season, say the word and we will send for them, keep them safe from moths or hurt of any kind, insure them against fire, and return them when

you wish. If there is Remodeling or Renovating of any kind to be done the Spring and Summer months are very favorable for it, and the cost will be much less than if you wait until the rush-time comes; especially as the price of Skins is advancing.
